She told me that Water is unlikely to have any files – she thinks the Enforcement file would be with ORC and that Rob’s files would have been his own (nothing that Water as a Division would have handled). Stef doesn’t have any independent files on Super Salvage (She says it was part of an initiative that we did in the Anacostia watershed). So I think we may just have the order. Do you think we ought to reach out to Rob to see if he remembers anything? It was 13 years ago, so I’m not hopeful.
